ASHIBE YUUHO

Ashibe Yuhuo

To tell the truth, I don't dare indulge myself too much while writing this manga, since the name "Erie" in this story is the secret name for Inobud. As the author, I was impatient for the story to progress but I kept coming up with more and more characters, and the story was going nowhere.

However, now that the characters have finally showed up, somehow the story is full of life. How strange indeed.

NOW THAT I THINK OF IT, SHE DISAPPEARED AFTER THE CHRISTMOON FESTIVAL. I WONDER WHAT HAPPENED?

IT WOULD HAVE BEEN EASY FOR HER TO SLIP AWAY UNNOTICED.

WELL, IN THE MIST OF THE BATTLE.

I DON'T UNDERSTAND IT, BUT FOR LADY HOATA TO MAKE SO MUCH FLASS ABOUT THE SYRICAL...

IT MIGHT BE WORTH LOOKING INTO.

WHAT ABOUT YOU LAST-MONDAY?

HAVE YOU DEVELOPED FEELINGS FOR HIM BECAUSE YOU'RE SLIGHTLY WITH HIM?

WHY MUST WE FACE THIS SLEAZEBAG LIAISON?

LORD MACH'S DEATH'S ONLY HAPPENED TO ALL WHO SAW?

AM I? AND AN OTHER-NO?

YES, YES

118 * Naig Nig = "The Place of Joy"

** Naig Nig = "The Land of Eternal Youth" Both refers to a pleasant paradise, identified as either an island or in the west or a kingdom towards the ocean. Both were considered a place beyond the edge of the map. It could be reached by either an indirect voyage, or an overland route like it's the west.
